On behalf of Parkville High School MCJROTC 137 cadets, I would like to thank you for your charitable donation to the program. Because of your generosity, we were able to purchase 10 Ultra-Fit Evolution Medicine Balls and 1 Gorilla Equipment Cart. This equipment will help challenge the cadets in their physical training routines this upcoming school year. The generous support of individuals like you makes it possible for our organization to exist. Thank you again for your support!

Sincerely,

Master Sergeant Ruffin
