Dear Ms. Taylor-Mitchell:

I was pleased to read the feature in *The Towson Times* recognizing your extraordinary work all over Baltimore County.

Your dedication to improving education issues and the lives of students in the county is a testament to your caring nature. I was very impressed by your desire to go above and beyond in your efforts to provide support and encouragement to the students, especially those who attended Loch Raven High School. The connection you have with the students and peers around you is remarkable.

I want to thank you for providing hope and counsel to every young person that has sought your advice. I look forward to your continued leadership in our community and I wish you the best of luck as we head further into the new year.

Sincerely,

C.A. Dutch Ruppensberger
